Quote of the Month

Listen with your eyes,
your ears, and your heart.

What we are learning this month:

Reading	Writing	Math	Science	Social Studies
Skills: Students will be able to explain the main idea, supporting details and make connections between texts.	Students will write realistic fiction stories. Students will create characters and write chapters for their books.	Students will add and subtract 2-digit numbers within 20.	Students will explain how animals adapt and how destruction of their habitats can cause extinction. Students will describe different types of weather conditions.	Students will learn about patriotic holidays such as Memorial Day, Independence Day, Labor Day and Flag Day.
